

# Live Auction

The Live Auction will begin at 9:30pm. This is a conventional auction. The auctioneer will offer each item starting with an opening (minimum) bid. To bid, simply raise your program, with the back facing the auctioneer (showing your bid number). The person making the highest bid will be given a bid sheet with the winning bid amount. The bid sheet should be taken to the cashier at the winner's convenience, but no later than 10:30pm. Good luck!

# Silent Auction

## ***Let the Bidding Begin!***

Bidding begins at 5:30pm. A bid sheet is available for each item. Use your bid number to place a bid on any item in stated increments on bid sheet. Using the proper bid increment is required. If the proper bid increment is not used, the previous bid will be accepted. Bidding closes at 8:40pm in the Green auction section and 9:30pm in the Purple section. As each section closes, a copy of the bid sheet will remain on the table. The highest bidder will take the bid sheet to the cashier for payment. Check-out must be completed by 11:00pm.

## ***Rules of Fair Play***

Please remember this is a fundraising event. Having FUN and RAISING money for our school are the primary goals of the evening. Please no hovering over bid sheets. If there are problems or disputes, ask for assistance at the Cashier table. Please be mindful of bids. Using the proper bid increment is required. If the proper bid increment is not used, the previous bid will be accepted.

## ***Closed Bid Guidelines***

Any item may go to a closed bid in the event of a dispute. If, at the conclusion of the auction, there are multiple bidders vying for the chance to make the final bid, the auction winner will be determined by sealed bid. Each bidder will be asked to submit a written bid to the auction administrator. Only bidders who have participated in the auction up to the point of close will be allowed to submit a bid. Only bidders who are present at the table when the auction closes will be allowed to submit a bid. Proxy bids will not be allowed. In the case of a tie, the winner will be selected by selecting a number at random from a bowl of numbers. The bidder holding the highest number will be declared the winner.
